Crewkerne Charter Fair 2021

Friday 3rd Saturday 4th September

Saint Bartholomew's Fair is an annual event in the streets of Crewkerne. The fair dates back to Saxon Times and was granted a Royal Charter in 1198. A chartered fair was a major annual market. There has been a funfair in the main street of the town (the A30) since at least 1861

Since assuming responsibility for the fair in 2012 the new fair committee, all members of The Rotary Club of Crewkerne District, have grown the street market which has proved to be very popular with customers of the adjacent supermarkets and with the population of Crewkerne and the surrounding area. As it is becoming better established it will be expanded carefully with the cooperation of surrounding businesses.

There are places available in Falkland Square which opens on to the main street and is central to the town and the Funfair. There are adjoining areas to expand into as the event grows. Trading areas are well signed from the town and funfair. There is a loading area behind the shops in Falkland Square with a very short carrying distance however there is no parking in that area but it is 50yds to the town centre car park.

Terms and Conditions

Please read - boring but necessary

Bookings

Bookings will be confirmed when we have received a completed booking form and full payment.

Payment is non-refundable if not cancelled 28 days before the event.

Payment is for a "pitch" on the designated street or pedestrian precinct. The organisers are unable to provide tables, gazebos, tarpaulins or any other hardware. Please be aware that traders need to provide their own stalls and equipment. This is an open air event.

Public Liability Insurance

It is highly recommended that all stallholders have their own Public Liability Insurance as no responsibility will be taken by the Rotary Club of Crewkerne District for any loss, damage, theft or accidents. A copy of your Public Liability Insurance should be provided if possible.

On the day

Parking on the street is seriously limited. Please go to the main car parks by the supermarkets and walk through to Falkland Square where a marshal or a member of the committee will guide you to your pitch and loading area.

Security

Traders are responsible for their own security. It is not possible for the organisers to provide security for the street market so please clear the site overnight.

Stallholders are responsible for their own car park fees if applicable.

We intend that the market enhances the overall success of the fair. Your feedback on the day will be greatly appreciated so that we can improve the experience for stallholders, the fairground operators, the townspeople and the public in future years. Suggestions for improvement will be seriously considered.
